AITP Chicago Presents 2018 Most Effective IT Team Awards

THE MOST EFFECTIVE IT TEAM

This award recognizes teams that have done an outstanding job improving the success of their company's business. Teams will be selected for 1st, 2nd and 3rd places. Relative performance will be used to adjust for company size.

Do you know an extraordinary IT team with a great story to tell?

Do they inspire you and people around you?

Send your nomination with full contact info to:

TeamAwards@aitpchicago.com

Submit your nomination today before time runs out!

Deadline is January 5, 2018

90% say it positively impacted engagement, vs. 67% without a values-based recognition program

ELIGIBILITY

- Need not be a CompTIA AITP member
- Can be a team of CIO Direct Reports **or** any other team that has demonstrated high performance
- Can be self-nominating or nominated by Executive Leaders (sponsors)
- Must be a Technology-driven effort
- Must have generated an 'output or outcome'
- Must be within Chicago area or suburbs
- Must be approved by Executive Leader of the Team

CRITERIA

- Innovation and Team Collaboration
- Organizational Change Management
- Value Creation
- Community Service

WHY PARTICIPATE?

This awards presentation is one of the most highly attended technology leadership events each year. Hosted at the Metropolitan Club of Chicago in March 2018, it provides a unique opportunity to:

Be recognized by peers in AITP and the greater Chicago technology community.

Increase awareness of your organization as a leader in your industry, enhancing your brand.

Celebrate your team's successes with professionals and peers, inspiring others.

Attend and network at a prestigious award event with one of Chicago's premier technology associations.
